

The **Eco Drift Fleet Car Valeting Services** has been specially developed for operation on dedicated car parks of companies, Councils and Organizations throughout Hampshire. This approach gives the advantage of having the business and private vehicles cleaned and polished in the most environment friendly way, without the need of going to the car wash, as our team comes to the dedicated car park.

Thanks to the unique cleaning formula we use and the special approach we have, we could provide our service in any place and any time. Our method for valeting cars, do not produce waste and do not requires a lot of space.

We are flexible to whatever your needs may be. Our services are tailor made to suit the requirements of each and every organisation.

Eco Drift Free Demo: We could keep talking forever how great and unique our waterless car wash service is. But in Eco Drift, we believe that action speaks louder than words! That's why we would like to offer your company a free non obligation waterless car wash demonstration, where you could experience our services in real!

BENEFITS OF USING THE ECO DRIFT FLEET SERVICE:
